To Whom It May Concern:

I would like to take the opportunity to introduce Advanced Urgent Care & Occupational Medicine, a *local quality care clinic* for all of your occupational needs.

If you happen to have an employee injured on the job, we are here to help. We will accommodate your employee at the time of their injury, and as a standard, they will receive superb care from any of our medical specialist.

In addition to providing exceptional medical treatment for any injury that may occur in your work place, we also provide the following services:

DOT – CDL Physicals	Hearing Evaluations	Second Opinions
Drug & Alcohol Screening	MRO	Impairment Ratings
Pre-employment Physicals	Annual Physical	FAA Examinations
Independent Medical Evaluations	Pulmonary Function Testing	On-Site X-ray

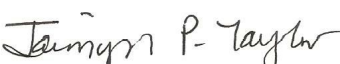

Dr. Anthony Euser, D.O. and Dr. Julie Parsons, M.D., along with our Physician Assistants & Nurse Practitioners, can see the patient from the initial injury along with taking care of them throughout their entire care. Dr. Euser & Dr. Parsons are Level II providers and can provide impairment ratings when needed. Our hours of operation are:

Brighton Location:	Fort Lupton Location:	Northglenn Location:
Open 7 Days A Week	Open 7 Days A Week	Open 7 Days A Week
8AM-10PM	10AM-10PM	10AM-10PM

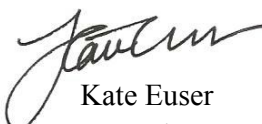

Your business and your employees are our top priority and we welcome communication at any time to discuss your needs.

As a reminder, workers compensation does allow a business to have up to 4 providers for their injured employees.

Thank you,

Jaimyn Taylor
